

Zodiac Partners Ltd at the Forefront of Global Equity Execution

YOUR CAPITAL IS AT RISK

In today's fast-evolving capital markets, precision, speed, and adaptability are paramount. At **Zodiac Partners Ltd**, we pride ourselves on delivering cutting-edge **electronic trading and in-house execution solutions** that empower our clients to navigate global cash equity and DVP markets with confidence.

Our platform is built around a core philosophy: **liquidity is opportunity**. Whether you're seeking deep liquidity across fragmented markets or executing complex strategies, our infrastructure is designed to deliver.

- **Electronic Trading Excellence**

We offer seamless access to global markets via **Direct Market Access (DMA)**, **Smart Order Routing (SOR)**, and a suite of **proprietary and benchmark-driven algorithms**. These tools are engineered to optimise execution quality, minimize market impact, and adapt dynamically to real-time market conditions.

- **High-Touch Meets High-Tech**

While automation drives efficiency, human insight drives strategy. Our **24/5 in-house trading desk** provides high-touch execution services, ensuring that clients benefit from market intelligence, bespoke execution strategies, and responsive support across time zones.

- **Liquidity Sourcing Without Boundaries**

Our global connectivity and deep broker relationships allow us to **source liquidity across multiple venues**, ensuring best execution even in challenging market environments. Whether trading large blocks or navigating volatile sessions, our team and technology work in tandem to deliver results.

- **Integrated DVP Execution**

We understand the critical importance of delivery versus payment (DVP) workflows. Our systems are fully integrated to support **secure, compliant, and efficient settlement**, reducing operational risk and enhancing post-trade transparency.

At Zodiac Partners Ltd, we don't just execute trades—we **engineer outcomes**. As markets evolve, so do we—continuously refining our tools, expanding our reach, and deepening our commitment to client success.

Where client experience meets Global Equity Execution!
